IC&RC Announces the Updated Clinical Supervisor (CS) Examination

The International Certification and Reciprocity Consortium (IC&RC), leader in advancement of the Prevention, SUD, and Recovery Professionals Workforce, is proud to announce the finalization of the updated **Clinical Supervisor (CS) Examination**. This updated examination is aligned with the 2024 IC&RC Clinical Supervisor Job Analysis (JA).

The tentative administration date for the updated CS examination is Monday, August 4, 2025. All candidates scheduled to take the CS examination, on or after this date, will be taking the updated examination.

Candidates preparing to take the **updated CS examination** (*on or after August 4th*), can find the new **CS Exam Candidate Guide** posted on IC&RC's website under "Prep and Study Materials". Direct link: "NEW" Clinical Supervisor (CS) Candidate Guide.

Also available on the "Prep and Study Materials" page is the new IC&RC **General Candidate Guide**. It contains important information relevant to **all** IC&RC exams and is useful to all candidates. Direct link: General Candidate Guide.

It is **imperative** that CS Exam candidates scheduled to test **on or after August 4th** receive notice to ensure the proper study materials are used when preparing for the exam. Please share this announcement with all relevant parties within your state/jurisdiction. Please also note that while the CS domains have been updated per the 2024 JA, at this time there is **no change to the IC&RC Minimum Standards** for the CS credential.

Should you have questions regarding the updated CS Exam Candidate Guide, or the new General Candidate Guide, please reach out to the Director of Credentialing, Susan Veit, at susan@internationalcredentialing.org.
